**PROFESSIONAL PROFILE:**

As the president of Management Professionals, Inc., Joe is responsible for the diligent and meticulous management of nearly 5.0 million square feet of office, flex, industrial and multi-family property. Management Professionals, Inc. specializes in managing real estate assets for long-term appreciation. Development of tenant and resident relations is the organization's key to providing outstanding customer service. In 2003 and 2004, Management Professionals, Inc. was named Best of Des Moines – Real Estate Property Management.

Joe began his career in 1987 with Pioneer Hi-Bred International and later DuPont, after their acquisition in 1999. Initially a scientist, he held positions of business development in the international operations group and strategic planning in the nutrition and industrial markets group from 1992 to 2000. He joined R&R Realty Group in 2001.
